## **“Musical Ghosts, Manitoba’s Jazz and Dance Bands, 1914-1966” by Owen Clark**

Tom Powell Design Studio has done an outstanding job on the design and layout of my book. Jim Anderson, the lead artist on the project, is also a musician. He was, and is, very in tune with the theme of the book and brought many great design ideas to the project.

We selected Friesens Printers of Altona because of their ability to produce a world-class product. Due to the large number of photographs we chose a high quality paper that will display the photos with clarity and vivid colors.

A percentage of each book sold will be donated to the Lupus Society Of Manitoba, Inc. for research.

A **limited** print run of the book will be available in March at an **introductory price**. Please fill out the form below and mail with your cheque or money order to guarantee your **signed** copy or copies.
